

EXPLORER. It had been interrupted because of the higher priority of the LHC cost overrun discussions. The Research Board agreed to restart this procedure starting with L3+C at the next Research Board.

The next meeting of the Research Board will take place on

Thursday, 12 September 2002.

ENCLOSURES

- [1] Minutes of the 12th INTC meeting held on 13 May 2002 (INTC 2002-026/INTC 12)
- [2] Minutes of the 58th LHCC meeting held on 15-16 May 2002 (LHCC 2002-019/LHCC 58)
- [3] Minutes of the 58th SPSC meeting held on 21 May 2002 (SPSC 2002-022/SPSC 58)
