CONSTRACT LUMBER STEAT

CANNON BEACH LUMBER COMPANY

CANNON BEACH LUMBER COMPANY was founded in 1935 by Nels Jacobsen as a retail lumber yard to serve the Cannon Beach area residents. Subsequently, the business was operated by his son, Emmet Jacobsen, who sold it in 1973 to Kenneth and Rosemary Clark. It was incorporated in 1980. John Zoomers joined the company in 1987 acquiring a part ownership. Under the Clark/Zoommers leadership, the company has grown from being a one-man operation to 20 employees currently.

To provide better service to our north county customers, a 7 acre tract of land at the junction of Highways 26 and 101 was acquired in 1978. The area was blacktopped in 1990, and in 1991 a large warehouse and office building was erected.

CANNON BEACH LUMBER COMPANY, with our Junction Sales/Distribution facility, is now the largest building materials dealer on the North Coast, with an extensive lumber selection available, especially in cedar & pine products, outdoor wood and other specialty types of lumber. The company also features a fleet of six delivery vehicles allowing us to offer same day delivery service to our customers. We serve from two locations, Cannon Beach and Seaside.
